Mr Seati Moloi

Khoi Tech

Dear Seati

The Nelson Mandela Foundation would like to express its gratitude for Khoi Tech's contribution to the 2024 Mandela Day Walk and Run prize winners.

These smart watches added prestige and excitement to the event, aligning with Mandela's values of unity and giving back. The presence of Khoi Tech symbolized accomplishment and distinction, inspiring participants and adding significant value to the winners of this event.

This local brand and its cutting-edge tech products fill us with pride as South Africans and serve as a genuine source of inspiration for the youth of our country. As Mandela famously said, it is in our hands and our responsibility to make this country a better place.

Your participation was instrumental in the success of the event, igniting tremendous excitement and demonstrating a strong desire for collective progress.

The Foundation looks forward to a future collaboration with Khoi Tech.

Warm regards
