Dear Mr S. Moloi

**RE: KHOI AFRIWATCH SUPPORT FOR THE 2024 YOUTH4SAFERSOUTHAFRICA DEBATE AND LEADERSHIP PROGRAMME**

On behalf of Safer South Africa Foundation (SSAF), we are writing this letter to thank you for supporting our 2024 Youth4SaferSouthAfrica Debate and Leadership Development Programme. Your support continues to touch many deserving lives and will unlock new opportunities for the young men and women who participate in the programme. Your involvement assists to develop future leaders who shall become active citizens and become effective change agents.

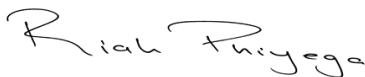

We thank you for infusing in the young stars new hope and renewed energy. You helped us make them realise that they are unique, special, and cared for. Your contribution has enabled learners to participate in a distinguished and beneficial programme offered by the Foundation. We remain thankful and grateful for the support in our endeavours.

Thank you for your contribution of the 6 smart watches for the 6 learners in Position 2. Without the support of responsible citizens like you, we would not be able to reach our goals. Thank you once again for your generous support to the Foundation, the country, and the youth.

Safer South Africa is an approved Public Benefit organisation - Section 18A which enables you, the taxpayer, who has made a donation to SSAF to claim a tax deduction up to a certain limit. Please confirm the value of the items to assist us in issuing relevant documentation in this regard. We shall also be sending you a pictorial account of the event as well as sharing a report.

We look forward to a long mutually beneficial partnership with Khoi AfriWatch.

Sincerely
